INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir:

There is on file in this Office an application for participation in the Eastern Cherokee Fund by Sally, the widow of Tsu-noo-luh-huh-skie, who gives as her postoffice address Welling, Oklahoma. Letters addressed to her at that place have been returned unclaimed and the Commissioner to the Five Civilized Tribes informs us that he is unable to connect this person with any Cherokee enrolled for land. The witnesses for this woman are Nancy Groundhog, nee Gritts, and Joe Groundhog, the latter of whom lives at Tahlequah, or did so at the time of filing his own application.

It appears, from a letter received by this Office from W. L. Miller, of Tulsa, Oklahoma, that you interpreted the application in question and that you will probably know the address of this applicant and the name under which she now receives her mail, and you are requested to kindly furnish us with the same, if possible.

Dear Sir;

In reference to your letter of March 17 relative to application No 6914 of Sally Saw-noon-luh-huh-skie, I have the honor to inform you that I made out her application on Dec 22 1906. She is an old full-blood Cherokee nearly 70 years of age. She lives about three miles north of Melling Okla. but as she visits Tahlequah nearly every week I suppose she gets her mail at this office.

I will see her & tell her to be on the look out for a letter at the Tahlequah office and I feel certain that your letter to her addressed to Tahlequah will reach her.

She was arbitrarily enrolled by the Dawes Commission & they probably have her enrolled under a different name.

I will be glad to furnish any further information within my knowledge upon request.

Her filing card never came back to her.

Residence: Halbert, Illa.

Reasons: She claims only as the widow of M. J. Mendinet and on behalf of her uncle and cousin. She states in answer to question 20 of her application that she was enrolled for Old Settler money, and she appears on the Old Settler roll in Flint District, Group 47. The name of her brother Joseph appears in Old Settler roll Flint 47 and her brother Richard in Flint 41. While her sister, Margaret, appears also to have been enrolled with the Old Settlers, but it is impossible to tell whether she was enrolled in Flint 40 or in Ill. 183 or Ill. 184. The claim is therefore rejected.

That I am 65 years of age. I claim my Indian descent through my mother and her father. My father was white. My grandmother was white, I think. My grandfather on my mother's side was named Andy Brown. My mother was born and raised in Buncombe Co., N. C. She came to Gilmer Co., Ga. forty years ago, since the war. All the time before that she lived in Buncombe Co., N. C. among the Indians. She was 1/2 Indian but I don't know whether she had any part in the tribal councils or not. My mother was 65 or 70 years old when she died and she died since the war. I was enrolled about 12 or 15 years ago by Look Langly. I paid him \$12.50 and he went off to the Ter. with it. That was in the Dawes Commission. I never heard anything more of it. I nor none of my ancestors were ever on any roll. I nor my brothers and sisters never lived with the Indians as a member of the tribe. I am recognized as white with some Indian blood. My mother never heard that any of my people ever received anything from the government. Sarah Haygood is the only sister living and she lives in Hicklog, Ga. My wife is white.

Sir:

Replying to your letter of July 6, 1909, you are advised that the reason you are not enrolled with your mother is that she failed to file an application.

The application filed by your mother for herself and minor children is not sufficient for your claim, as each adult was required to file a separate application.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 20, 1909.

The inclosed circular will furnish you with the information necessary to file exceptions.

COURT OF CLAIMS

Rec. JUL 6 1908
No. 6772

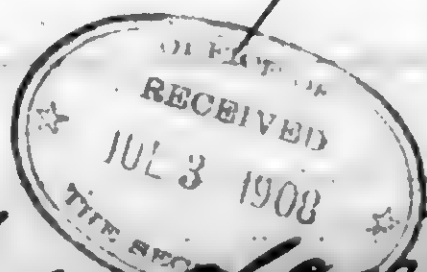

E. S. DELANY,

ATTORNEY AT LAW,

Cleveland, Ohio

To Hon. J. R. Garfield July 1, 1908.
Sec Interior:

Sir:

1. A reference of enclosed papers to proper Chief of Division is very respectfully solicited.

2. It will be observed that Mr. Ryan's notices reached Cleveland on Sunday June 21, when most of such patrons as the Indian claimants left no mail, the P.O. being open only one hour on that day. So that only two days, 22^d & 23^d were allowed the claimants to receive these notices, & that Mr. Ryan remained only on the 24th & 25th to meet these claimants.

3. My certain information is that twenty or more of these applicants had no reasonable chance to

receive & did not receive
their Notices until after Mr.
Rury had departed on the
25th June

4. Most of the Applicants
needed not less than
two weeks in which to
secure proper notice.
It is a broken, moun-
tain, rural locality, and
most of the Cherokee appli-
cants are illiterate country
people & do not inquire
for mail oftener than
once a week or twice
a month.

5. Many of those who reside
on Rural Free D. Routes
do not have Mail Boxes,
and come to town for
their mail once or twice
a month.

6. There have been many
quite recent & unexpected
Changes in these R. F. D. routes

which has greatly deranged
mail delivery in the country
vicinities, as well as at the
Cleveland I. O. O.

7. The R. F. D. carriers have
instructions & orders not to put
"official" mail into the Boxes,
but to only ~~to~~ place it in the
hands of the addressee.

Flora Bookout,

Cleveland, Tenn.

Madam:-

Relative to your application #6842 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim through your mother, Susan Edmond, the Gibbs, whom you state was daughter of Linville Gibbs, who was part Cherokee Indian, will state that the name of Linville Gibbs does not appear upon the roll of 1835 or 1851. Who were the said Linville Gibbs' father and mother? Where did they reside in 1835, if living at that time, and, if living in 1851, where did they reside at that time? Through whom did Linville Gibbs derive his Cherokee blood--his father or mother? Was your father part Cherokee and part White, or was he part Cherokee and part Negro? Was he what was known as a "freedman" after the War of 1861? Were his parents or grandparents part Negro and part Indian? Why have not the sons and daughters of Linville Gibbs, your aunts and uncles, filed applications as claimants for a share in this money appropriated for the Eastern Cherokee Indians? None of the names you have given as your aunts and uncles who are living appear on record in this office as claimants. Please furnish with all the information you can regarding your ancestors, whether they were Indians, Whites or Negroes, and of what nationality was your mother--

F.B.

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

John A. Peak being first duly sworn deposes and says:

I am 61 years of age, and live in Grayson County, Va. I have lived in Grayson County ever since I was born, I reckon. I claim Indian blood through my mother. She lived in Grayson County since I can remember. When I was small we lived at White Top, and then moved to Grayson County. My mother's Indian blood came through her father, George Hart, who was a son of James Hart. I have never received any Indian money from the Government, nor has my ~~xxx~~ mother received any such money that I know of. I never before made application for Indian money.

I never saw Ned Sizemore. I do not know that my mother ever said how close she was connected with Ned Sizemore, but she said she was connected with him, and said she was part Cherokee Indian herself. I have never seen any Indians living in this part of the country as a tribe. I know James Davis. He is related to me I have always been told. I claim my Indian blood through my mother and the Sizemores only. My mother and her ancestors were recognized as white people, but it was claimed through the country that we had Indian blood. I have voted.

Coffeyville, the Center of the Greatest Oil and Gas Field in the United States

DO YOU KNOW

That Coffeyville is growing rapidly and attracting more attention than any other city in Kansas.

That Coffeyville is the second largest grain distributing center in Kansas, being exceeded in this work only by Kansas City, Kan., and being a close second to that far-famed city of elevators. Coffeyville has a combined elevator capacity of 700,000 bushels.

That her population has steadily increased during the past decade. In 1895 it was 3,492; in 1896, 4,020; on the first of March, 1897, it was 4,729; in 1898 it was about 5,000, and January 1, 1900, she stood over 7,500; in 1902 it was 6,674; in 1903, 8,000; 1904, 12,306; in 1905 over 14,000.

That her retail stores are as large and attractive, and carry stocks of goods equal to those of any eastern city of double the population.

That we have four well managed and solid banks.

That Coffeyville has a surrounding community made up of fruitful farms that are watered by the Verdigris river and Onion creek and that all kinds of grain are produced in great quantities, and vegetables in abundance—the zenith of a farmer's dream.

That Coffeyville has an ice plant with a capacity of 30 tons every 24 hours, in full operation.

That she has two of the largest cold storage houses in Kansas.

That she has twenty-six passenger trains daily for Kansas City, St. Louis, Denver, Fort Smith, Little Rock, and all points north, south, east and west.

That Coffeyville has A. T. & S. F., M. K. & T., and four division terminals of the Missouri Pacific, with round house, coaling stations and repair shops.

That she has a large and well-equipped sash and door factory, and three planing mills with all the modern machinery.

DO YOU KNOW

That Coffeyville is the housekeepers' paradise? No smoke, no dust, no soot from coal. Everything clean, comfortable and bright.

That Coffeyville is the trade center for the northern division of the Cherokee nation and draws a large amount annually from the residents of that part of the beautiful Indian Territory.

That she has more natural gas and stronger natural gas wells than any other point in the country, Indiana not excepted.

That she has the most complete railroad connections and shipping facilities of any city in Southern Kansas.

That she is furnishing gas for light and fuel to over 2,000 residences, stores, churches, school houses, halls and factories, with an abundance for the many to follow.

That she has three vitrified brick factories with a daily capacity of 525,000, that manufactures brick from buff shale and burns the same with natural gas.

That she has four flouring mills and one corn meal mill, having a total capacity of 3,100 barrels daily.

That her school houses and churches are not surpassed by any city of her size in the country.

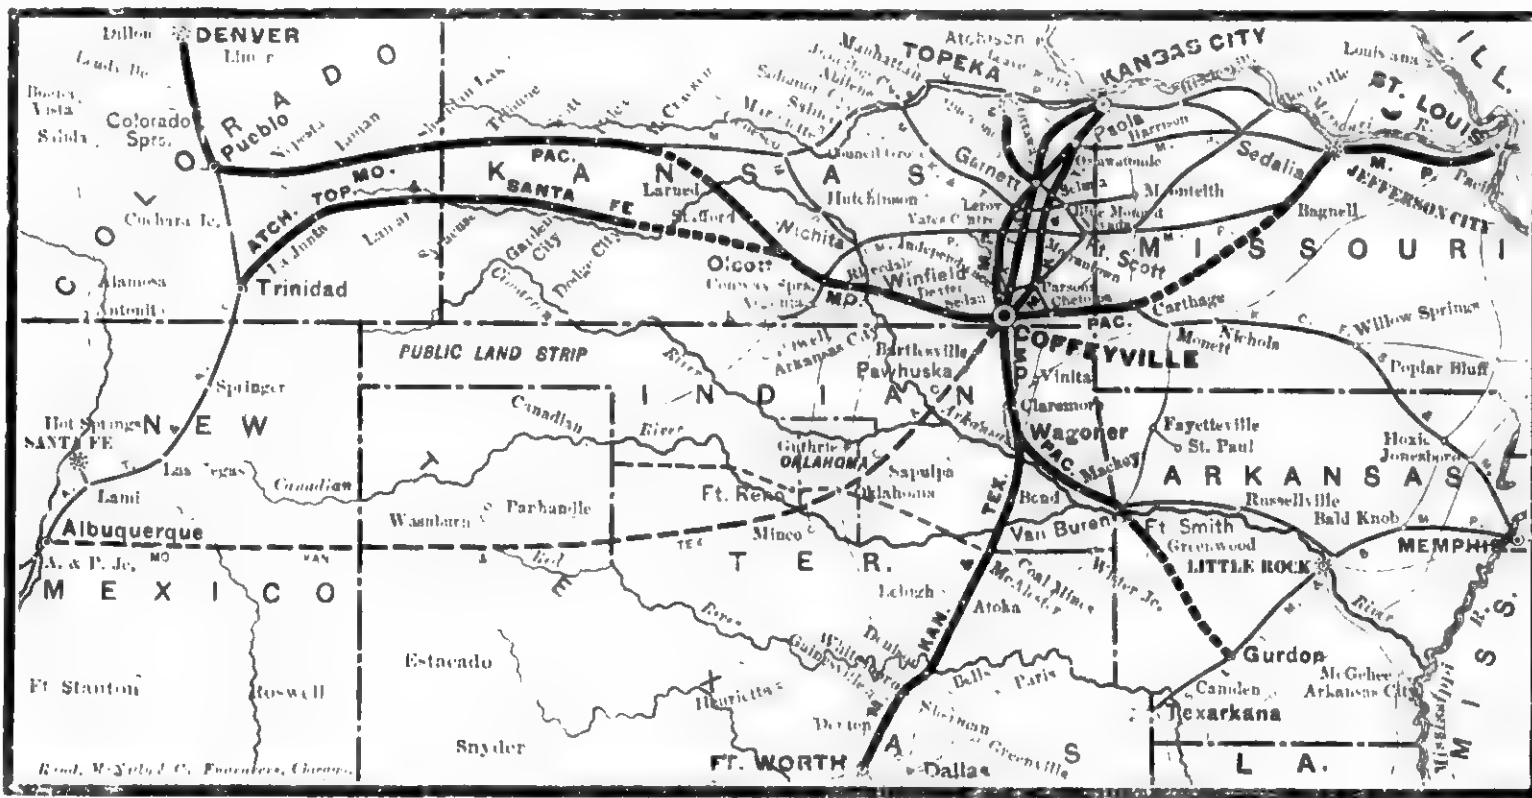

That she is the very center of the famous gas and oil belt of Kansas.

That she is an up-to-date city, owning her water-works plant with over 24 miles of mains, and her sewerage and electric light systems, and her principal streets paved with the famous Coffeyville vitrified brick.

That she has a saw board and egg case filler factory, with a daily capacity of twenty tons in full operation.

That she invites an examination of her natural and commercial advantages by capitalists and homeseekers.

Do you know that JOE McCREARY sells more farms than all of the other agents in Coffeyville?

Do you know that JOE McCREARY can give you better rates on farm loans, and get quicker money than anyone?

DO YOU KNOW

That Coffeyville has a splendid fire department, which is self-sustaining. Her water-works system is perfect, with a substantial reservoir of 3,000,000 gallons capacity, located at an elevation 173 feet above the level of the city "plaza," a pumping station having a capacity of 3,000,000 gallons per day, 81 fire hydrants and twenty-four miles of water mains throughout the city.

That she has long and short distant telephone systems.

That she has opportunities for investment of capital that are unequalled by any other community in Kansas.

That she has a completely equipped pottery plant, using natural gas for burning ware.

That visitors are surprised at the large number of new and attractive residence properties possessed by the city.

That a new packing house has just been built and is doing a splendid business.

That Coffeyville has a fine new \$15,000 Y. M. C. A. building.

That Coffeyville has a roofing tile factory with a large capacity and rapidly increasing business.

That she has six large and flourishing glass factories and is negotiating for others.

That she has a quarter of a million dollar smelter and a half million dollar oil refinery.

DO YOU KNOW

That Coffeyville is the golden gateway to the magnificent country of the Cherokee, and right in the pathway of the wealth that flows to the states from that wonderful land of richness and beauty.

That she has an excelsior plant, a plaster factory and novelty manufacturing works.

That she has four vitrified brick plants with a capacity of a half million brick per day.

That she has seven and one-half miles of paved street.

That she has a large zinc smelter now in course of construction.

That she has thriving newspapers—two dailies and three weeklies.

That Coffeyville is now negotiating for the location of other important manufacturing enterprises.

That she has the best equipped hospital in Southern Kansas.

That in climate no exceptions can be taken to Coffeyville? Who has not heard of the delightful climate of Southern Kansas? Short, moderate winters, long summers, and an atmosphere clear, free from smoke and brimming full of healthfulness.

That Coffeyville has the largest plow factory west of St. Louis.

That Coffeyville literature, statistics and information will be furnished on application, and that correspondence is solicited.

Wagoner, Ind. T^y., Dec. 11, 1906.

To whom it may concern:

I, Mary M. Williams of Wagoner, Indian Territory, on oath state that I am more than sixty years of age, and have been living in Wagoner for the past twelve or fourteen years, I know Joseph F. Williams and have known him for the past forty or forty-five years. I also know Mrs. Cathrine Montgomery and have known her for the past forty or forty-five years. Mr. Williams and Mrs. Montgomery are brother and sister. I first knew them in Winston County, Alabama, several years before the civil war. Mr. Williams at that time was a mere boy, and Mrs. Montgomery was a young woman married to a Mr. Montgomery, and at that time had one child, her first child and as I remember, it was yet a baby. I know of my own knowledge that Mr. Williams and Mrs. Montgomery are brother and sister. I married Mr. Williams' brother, an older brother of his, William A. Williams, in Winston County, Alabama. I have been a member of the Williams family ever since. These people, Mr. Williams and Mrs. Montgomery, and other members of the family, and myself some years after the war, moved to the state of Texas. I also knew this Joseph F. Williams and Mrs. Montgomery in the state of Texas. I know of my own knowledge that this Mrs. Cathrine Montgomery, whom I knew in Alabama and Texas, is the same person who a few years ago contested her rights as a Cherokee citizen before the United States Court in the Indian Territory at Muskogee and that the courts in this proceeding found that she was of Cherokee blood. I also knew, back in Alabama, the father of Joseph F. Williams and Mrs. Montgomery and his name was also Joseph Williams. The present Joseph F. Williams and the said Mrs. Montgomery were members of the older Williams family and there is no question whatever knowing the Williams family as I have all these years and time back in the state of Alabama, in my mind, but that this Joseph F. Williams and Mrs. Montgomery are brother and sister.

To whom it may concern:

I, J. W. Terry of Wagoner, Indian Territory, on oath, state that I am fifty years of age and have been living in the city of Wagoner for the past fourteen years. I know Joseph F. Williams and have known him for the last past twenty-five years. I first knew Mr. Williams in Hunt County, Texas at least twenty-five years ago, and have known him intimately ever since that time. I also know Mrs. Cathrine Montgomery and have known her for at least twenty-five years, possibly longer; Mrs. Montgomery lives in Eastland County Texas at the present time and was living there when I first knew her. I know that Mrs. Montgomery is the same person who contested her rights as a Cherokee citizen before the United States Court in the Indian Territory and at Muskogee and that this court found that she was Cherokee blood. I also know that this Joseph F. Williams and this Mrs. Cathrine Montgomery are brothers and sisters. I know this because my wife is a niece of this said Mrs. Montgomery and also of this said Joseph F. Williams, and that there was no other impression or intimation among my wife's relatives or my acquaintances and the acquaintances of Mr. Williams and Mrs. Montgomery ^{about} then that they were brothers and sisters. Ever since I have known them and known my wife it has been generally accepted by all the people that knew them that they were brother and sister. I got acquainted with Mr. Williams and Mrs. Montgomery and my wife, all of them in the State of Texas, about the same time. My wife called them uncle and aunt and I have all the time understood from her as well as from all other people that I have known who know Mr. Williams and Mrs. Montgomery that they were brother and sister.

I did not get the strip payment. I do not think we made application for the strip payment. I do not know anything about the bread money. I have never joined any other tribe of Indians. I claim Cherokee Indian blood. I get my blood from ~~with~~ my father. He is dead. He died in '82. His name was Wm. A. Williams. He was about 46 at his death. He was born in Georgia. He lived there until he got to be a young man when he moved to Alabama and married. In 1851 my people were living in Georgia. He was not enrolled. The Indians were driven from Georgia to this country when he was a child and given this country. No, he never did care much about it, but thought when his family was grown he would come out here. My grandfather on my father's side was Joseph Williams. I have heard my grandmother's name but do not recall it. I don't know whether he got it from his father or mother. I rather think it was from his mother's side. Peggy Crittenden I think was my father's mother or grandmother. I heard my father say that his Aunt Mary Crittenden was living and she died just before he did at nearly a hundred. I am the oldest of my sisters and brothers, Joseph Williams, Henry Williams, and James Perry Williams or Dock, Dallas Williams, and Catherine ~~Williams~~ Brashears, and Thomas Williams. My father's brothers and sisters were Frank Williams, Mose Williams and Virgin Williams, and a half-brother Alfred Williams. There are more but these are all I can remember. They are all in the Territory. Catherine Montgomery is a sister to my father. My father's brothers and sisters are in Texas and Alabama. I do not know any brothers and sisters of my grandfather. I think my grandmother Peggy Crittenden is enrolled. Mary Crittenden is a sister of Peggy Crittenden. Seems to me like there is a Jonathan Crittenden. If they ever joined any other tribe I never did know it. I suppose they were Old Settlers. Mary Crittenden came here from Georgia and lived last of here, I think it is Going Snake District. I don't know in what District Jonathan lived. Mose Crittenden said he was a relation but he is dead. ~~Jonathan~~ My father never lived in Indian Territory. ~~Jonathan~~ Joseph Williams never came to the Territory. I had an ~~uncle~~ Alfred Williams who came out here, and Mose came out here and went back and died soon thereafter. I don't know just when my ancestors left the Eastern States but it was the year they were given this country. I don't know whether they were regarded as Old Settlers.

COWETA, I. T.

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY
NORTHERN DISTRICT AT MUSKOGEE.

Catherine Montgomery et al.,
vs
The Cherokee Nation
No. 124. Special Master's Report.

I, N. A. Gibson, Special Master herein, show to the Court that under the order of reference I have examined the pleadings and proof here in, which are here with filed and made apart of this report, and that I find as follows:

1

That this cause was instituted on Sept, 8th, 1896 at which time the claimants made application to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation; that the Commission on the 31st, day of October 1896 denied this application, giving no reason for this decision and from this decision the claimants appealed to this Court on Dec., 31st, 1897

11

That this application was made by Catherine Montgomery and her children, Sarah E. Gardener and her children, J. P. Montgomery and his children, Mary E., Ada J., and Alice R. Montgomery, Mattie G. Dunn and her children Mary A. C., Myrtle C., Watie E. and E. S. E. Dunn, J. R. Montgomery and his children G. C., E. W., O., J. W., and G. Montgomery George Montgomery and his child Walker R., J. A. Montgomery and his children G. C., C. E., John H., George A., E. R., and Indiana, Isabel Williams, Mary M. Williams and her children Joseph A., John Henry Martha Alice, and Dallas Williams, William T. Williams and his child Claud, James P. Williams and his children Emma, Leola and Henry Williams, Malinda Brashears and her child Douglas Brashears, Mollie J. Terry and her children Dolly and James W., Moses Williams and his children Alford G., Nancy, Oscar, Norman and Emma, Henry Shepherd and his children Conly C., Charles W., H. C., and George M., Mary Ida A. Ballenger and her children Ota Pearl and Ina Lee, Jeremiah Shepherd and his children Gere Watts, Marion J., and Jerry Grove

Shepherd, Mary D. Livingston and her children: Ida May Kincaid, all of whom are the children and grand children of Joseph Williams, who was the son Indian of Peggy Williams nee Chrirtenden, who is said to have been a Cheerekee by blood.

111

That the claimants filed in support of their application the affidavits of Catherine Montgomery, John Hess, Watt Christie, Malinda E. Wilson, and Jemima Skelton who testify that Peggy Chrirtenden lived in the state of Georgia and was a Cherokee Indian by blood, the witness Jemima Skelton and Malinda E. Wilson testify that Catherine Montgomery ^{is the daughter} of Joseph Williams and the grand daughter of Peggy Chrirtenden who lived near Rabern Court House in Georgia.

117

The claimants contend that under the proof that they are descended ^{from Peggy} Chrirtenden, who was a Cherokee Indian by blood they are entitled to be admitted to citizenship by blood in the Cherokee Nation, under the law applicable to this cause; while the appellee contends that the claimants having failed to show that the ancestor through whom they claim Indian blood or any other ancestor has ever been enrolled as a member of the Cherokee Nation since the removal West to the present location, the claimants are barred from being admitted as citizens of the Cherokee Nation.

The premises considered, -I find that the claimants have proved that they are of Cherokee Indian blood, and have shown that they are descended from Peggy Chrirtenden who was a Cherokee Indian by blood, but they have not shown that she was ever enrolled as a member of the Cherokee Nation.

I respectfully ask that the Court allow me a reasonable fee for my services herein as Special Master.

Respectfully submitted this _____ day of _____ 1897

App. #6876.

January 2, 1902.

Sally Sack,

Locust Grove, Okla.

Maia:-

Relative to your application #6876 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim to be enrolled on the roll of Eastern Cherokee Indians of 1851, you say that your father's name was Pipe, or Gah-nu-nah-wa, and your mother's name Jennie, and that your father resided in the Saline District in 1851 and your mother in the Tahlequah District. You also state that you were born in 1836, therefore, you must necessarily be enrolled on the roll of 1851, if you are an Eastern or Emigrant Cherokee Indian. Please state in what district you were enrolled and with whom. That is, were you enrolled with your mother, your mother's people, or with your father's people? I cannot find any of the names as you have given them upon the roll of 1851. In order to trace your connection with this roll, it is necessary that you furnish this office with all the information regarding your said enrollment.

Your cooperation will be appreciated.

Respectfully,

Special Commissioner.

P.S.--Are you sure your parents were not "Old Settlers"?

App. #6978.

January 2, 1908.

Old Sack,

Louisa Grove, Okla.

Sir:-

Relative to your application #6978 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by reason of being enrolled in 1851 as an Eastern Cherokee Indian, and through your father Deo-gur-wah-sah-tu-ski, and your mother Co-seo-nee, will say, I cannot find the names of your parents upon the roll of 1851 as you have given them. If you are an Emigrant, or Eastern Cherokee Indian, you must necessarily be upon the roll of 1851. In what district were you living in 1851; with whom were you living; how were you enrolled, and under what name? What English name did your father bear, other than the Indian name you have given, and by what name was he known? Are you positive that your parents were "Old Settlers"? When did your father and mother emigrate to the Indian Territory? Please give all the information you can which will establish your connection with the roll of 1851.

Respectfully,

Special Commissioner.

LED/AIL

Old Sack, being duly sworn, deposes and says:

My name is Nee-da-guh-gah. I was born in Delaware District. I am 64 years old. (1844) I was enrolled in Delaware District in 1851, and drew the Emigrant Payment. I do not know the English names of my parents. My father's Cherokee name was Dee-guh-wah-sah-ta-skee and my mother's Cherokee name was De-skun-nih. My father and mother were born in the Old Nation East. They came to the Indian Territory during the Emigration. All my grandparents came from the Old Nation East to the Indian Territory during the Emigration. None of my ancestors were Old Settlers.

My grandparents on my mother's side were enrolled in Delaware District. (SEE 510 Del.)

I think that the grandparents on my father's side were enrolled in Delaware District in 1851.

My father and mother were separated in 1851. My father was enrolled in Saline District in 1851. I was enrolled with my mother in Delaware District in 1851. I do not know what name I was enrolled under in 1851.

I never had any brothers who were enrolled in 1851.

My father had some brothers who were enrolled in 1851. They were Ah-muh-gah-nuh-go-guh or later coming out, Red-sin-ne, Tom-si-ni or Thompson. He also had some sisters, Guh-you-cha is the only one I remember.

My mother never had any brothers or sisters.

I was enrolled in 1894 and drew the Trip Payment.

App. #6984.

January 2, 1908.

Mary Amone,

Stillpoint, O. H.

Madam:-

Relative to your application #6984 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your father was Crab Sten, and your mother You-he-na Sten, and your grandfather Jack Sten, will say I cannot find any of the names you have given upon the roll of 1851. Were you born before 1851? If so, where? Although you state in your application that you do not know the date of your birth or the dates of the birth of your mother and father, will you please consult with your half brother, Jack Downing, whom you say has the same mother as yourself, and endeavor to locate the place of residence of your parents in 1851, and find out under what names they were enrolled, or whether they were born after 1851? Give the names of your grandparents on your mother's side, and the names of any of their children other than that of your mother. Any information you may be able to obtain which will aid this office in tracing your connection with the Eastern Cherokees will be appreciated.

Respectfully,

LBD/ALL
